WHAT IS A COMPACT T-SHIRT?

It's a printed T-shirt that's compressed into a compact shape. Printed carton inlays showing the product advertising are then placed onto each side of the compressed T-shirt. Then its shrink wrapped to seal the contents in the shape required.

The result? A T-shirt that fits in the palm of your hand.

WHY WOULD YOU WANT IT?

T-shirts are one of the most popular promotional products. By adding the process of compression, we transform the T-shirt into a highly desirable and appealing product.

Clients are always on the lookout for original promotional products at keen prices. In this case, the compact T-shirt is an excellent choice.

T-SHIRT RANGE

Many brands are available in a host of styles, weights and colours.

A San Miguel T-shirt is very much appreciated.

The fact that it comes packaged in the size and shape of an actual beer bottle is more impressive than the T-shirt itself.

The only thing that would make it better is if it came with a real bottle of San Miguel!

WHAT IS A COMPACT TOWEL?

Its a printed, jacquard woven or embroidered towel which is compressed into a compact shape.

Printed carton inlays showing the product advertising are then placed onto each side of the compact towel. Then its shrink wrapped to seal in the contents.

POST IT T-SHIRT AND TOWEL

Now its possible to send a T-shirt or towel by post!

On the front side you have a post card and on the reverse side, space to fill out the mailing address.

The compression thickness is narrow allowing for the Post It textile to fit inside a post booth. Due to its compact size, the cost of transport is cheap.

See what this clever customer did using a custom made shape!

SUNRISE

They required the most cost effective method for sending 6.000 gifts by post. Their choice was a large 100 x 150 cm printed towel. Obviously this towel would not only be bulky but very expensive to send by post. The solution? The compact towel.

A 100% cotton printed towel was compressed in the shape of a SIM CARD. Two cartons were placed on either side, the reverse reserved for filling out the recipients mailing address.

Benefits? Cost effective to send by post.
An incredibly original product with a big WOW factor.

SUCCESSFUL CASE STUDIES

What better than these case studies to show the true value of a compact textile?

Our packaging solutions allow these clients to effectively maximize their investments. Otherwise, they would not repeat their orders time and time again.

WHERE IDEAS TAKE SHAPE

COCA COLA

They were delighted with the outcome of their first promotion that soon after, they ordered branded T-shirts and towels in the shapes of Burn energy drink, Fanta, Powerade and Nordic Mist.

Benefits? Competitively priced, exclusive custom shapes, easy to distribute, adding value to the brand.

With dozens of orders placed, this can mean only one thing.

**SUCCESSFUL
PROMOTIONS.**

IBERDROLA

They required an organic promotional product and opted for the compressed T-shirt.

A bespoke shape was manufactured in the shape of their logo with 2 biodegradable insert cards.

Benefits? Original, exclusive and unique.
A product which is less contaminating for the environment.

CORONA

Used for give aways at events, parties and point of sale.

The compressed T-shirts and towels were distributed throughout Europe, the US and Mexico.

Benefits? Hugely popular product and accepted by all resulting in memorable promotions.

STELLA McCARTNEY

Even one the worlds leading fashion brands loves this product.

In this case, Stellas new cologne bottle was launched alongside the compressed bottle, an almost identical replica of the original.

Inside was a 100% organic printed cotton T-shirt printed in four colour process.

Benefits?
Adds a whole lot of value in comparison to a plain printed T-shirt for a whole lot less money.

An almost exact replica of the actual product almost confuses the client into thinking it's the real thing.

Clients ask:

How can this package possibly be a T-shirt?

LUCOZADE

Sports towels have always been a popular choice with this customer.

On this occasion, they decided to upgrade to compact sports towels. They felt they needed something with added value and appeal.

Benefits? Adds excitement to promotions, engages customers. A real “attention grabber”.

RUSSIAN NATIONAL ICE HOCKEY TEAM

Sports T-shirts were printed with their logo and compressed into the mini T-shirt shape.

These were given away at all events.

Benefits? Great product for creating goodwill, promoting the team and gaining a higher attendance at all events.

CARRERA

They ran the promotion “Buy a pair of sunglasses and receive a free compact T-shirt”

Benefits? During the promotion, sales of sunglasses soared by 40%. Carrera repeated the order three times and continue to do so today.

CNN

They urgently required 250 gifts for a conference in Dubai.

The problem? They had only 12 days. The solution? The compact towel. They were delivered on time. The gift created a buzz and gave the staff a lift in motivation.

Benefits? Eye catching product. Quick turnaround on orders. Cheaper transport costs due to its compact size.

TRIDENT

A free compact T-shirt was given to visitors at Trade Shows.

The result was an increase in sales leads.

Benefits? A space saver, thanks to its compact size.

Compact T-shirts and towels are hugely popular as they help the event to have a sustainable impact in the memories of the attendees.

30

ESTRELLA GALICIA

They used the product as an on pack promotion and at trade fairs.

Its been successfully used since 2009.

Benefits? Compact, flat and easy to vacuum pack.

Saves a lot of space at point of sale.

Highly desirable and grabs the attention of customers at stores.

AEG

They decided to send gifts to their distributors as a 'Thank you' at various occasions throughout the year.

While searching for a suitable gift to send to valued distributors, they came across compact towels.

"The standard of packaging was another 'tick in the box' and the outcome of the promotion was a resounding success."

As commented by AEG.

Benefits? A highly appreciated gift with value and appeal.

31

BOSCH

They were on the lookout for an exciting and engaging promotional product that could fit into one of their power tool boxes.

Custom made shapes were produced into different shapes.

Benefits?

Its compact and flat, meaning you can put it anywhere. Increases potential for sales at point of sale.

HANSON

They launched a promotion at trade fairs which would allow them to give potential new customers a reason to buy from them. Everybody loves free gifts and in this case, the compressed T-shirt was a hit.

This encouraged potential new clients to log on to the Hanson web page to learn more about their products.

Benefits? Encourages customer loyalty. Increases traffic to a web site.

COMPACT T-SHIRTS AND TOWELS IN THE MOVIES

Did you enjoy the movies *THE MATRIX*, *STAR WARS*, *ARMAGEDDON* and *INDEPENDENCE DAY*? How about *SONS OF ANARCHY*? They all have something in common. The movie studios all used compact T-shirts and towels to assist in promoting the movie.
